Lateness may result in losing your booking fee.*

### **PREPARING FOR YOUR BOUDOIR SESSION**

*Beautiful portraits don't just happen. They are planned.  
You will be photographed in an artistic and flattering way that will add a dimension of luxury to your portraits.*

*We cannot accomplish this, however, without your help. Please take a few moments to look over the following suggestions to see how you may participate in the planning of your very special personalised piece of art.*

***You are encouraged to bring examples of the type of pictures that you like,** we are here to help, and want you to have a fantastic experience, so please discuss any questions, ideas or suggestions you may have, to get the most out of your session.*

**Parking.** There is metered parking in front of the studio, or free in the park opposite, parking is free at weekends. Our receptionist will offer you something to drink while you relax and we explain the procedure for your portraits.

**Make-up.** Your make-up artist will discuss with you the looks you would like to achieve. During your make-up session, which lasts approx., 30 minutes, you do not have to do anything, just relax and enjoy being pampered. Please be aware that the products used by our stylist are those used for studio photography and will appear dramatic but sensational. Come without makeup and wearing your hair in your favourite style, but without any hair spray or gel.

**Photography.** Once you are ready you will be introduced to our photographer who will capture the new you, he will help you with how to pose. You do not have to worry about your appearance, remember just relax and enjoy a truly rewarding experience.

**Viewing.** You will be invited back to see your stunning photographs projected on a screen. Once you see the fantastic pictures you will want to purchase some or all of them as a memento, of course there is no obligation, but you will be tempted.

**We suggest that you bring with you:**
